

Declaration of Domestic Partnership

Domestic Partners are two adults who have chosen to share one another's lives in an intimate and committed relationship of mutual caring. The requirements to be domestic partners are:

1. the two must live together;
2. the two must agree to be jointly responsible for each other's basic living expenses during the Domestic Partnership;
3. neither person may be married or a member of another domestic partnership;
4. the two must not be related in a way which would prevent them from being married to each other;
5. both must be over 18;
6. neither person had a different domestic partner in the previous six months (this requirement does not apply if the partner died)

"Live together" means that two people share the same place to live. It is not necessary that the legal right to possess the place be in both of their names. Two people may live together even if one or both have additional living places. Domestic Partners do not cease to live together if one leaves the shared place but intends to return.

"Basic living expenses" means basic food and shelter. It also means the cost of medical care if a partner is receiving health care benefits because of the domestic partnership.

"Joint Responsibility" means that each partner agrees to provide for the other partner's basic living expenses if the partner is unable to provide for herself or himself.

We, the undersigned, declare that we are domestic partners as described above.
